ADMISSION NOTICE

CERTIFICATE COURSE ON CARDIOVASCULAR DISEASES

Incidence of cardiovascular diseases is increasing in epidemic proportions. Significant advances have taken place in the diagnosis and treatment of these diseases over the last few years. To make our general physicians and practitioners aware of the latest developments in cardiovascular disease, a Certificate Course has been designed by Ibrahim Cardiac Hospital & Research Institute (ICHRI) covering Hypertension, Myocardial Infarction (ACS), Heart Failure (HF) and Cardiac emergencies with practical demonstrations. The course is intended to train doctors in the prevention and emergency. The Course shall be for 4(four) months. The qualification for enrolment will be MBBS degree with BMDC registration.

Doctors willing to get admitted into the course are requested to visit our web site (ccvd.ibrahimcardiac.org.bd) and select DLP on 15.04.2020. The selected candidates will be called in phases through the board of Ibrahim Cardiac Office, 122, Kazi Nazrul Islam Avenue, Dhaka to complete the admission formalities. For any query please contact Dr. Kamruzzaman, Mobile No. +88-01719874434

N.B.: This certified training course will not be counted as speciality training.
