Bangladesh Chapter for Aortic Dissection Awareness Day 2017 going to disclose the poster for this year. Hope you all will like it! Here we go!

This year we have the approved program for the international committee:

1. One hour faculty discussion about aortic dissection with invited cardiac surgeons, cardiologists for all major cardiac hospitals who will be invited from Bangladesh to Dhaka.
2. Awareness rally in Dhaka city center where staff from hospital will distribute leaflets to common people about aortic diseases in Bengali language.
3. Round table discussion at national press club with journalists, surgeons and policy makers about aortic surgery and treatment of thoracic aortic diseases in Bangladesh.
